Regional Committee Member (RCM) Report

Family,

The region met in Nashville, with ten areas represented. Here is the not-so short version of what happened. This report was the largest I've seen yet. The World Service Conference for Narcotics Anonymous was held in April and the conference results are included in the regional minutes. I have sent the minutes in their entirety to Josh for posting on the web site. I have tried to summarize what was a nearly 100-page document here. The 6th edition of the Basic Text will be out for review in September 2006. Please call if you have questions. Cell 363-3535

In Loving Service,

Motion made by: Mark R. WTRCM Motion was seconded by: Ricardo J. from Central TN:

The motion reads as follows: Nomination- Andy S. for Regional Vice Chair

Intent: To serve our fellowship.

Andy S. expressed willingness and stated his qualifications.

Mike asked if Andy would like to consider any other positions. It was clarified that the nomination was coming from his home area although this was not a requirement at this time.

Motion #2 Made by: Connie S. PI chair

Seconded by: Joel T. Mountain Area

The motion reads as follows: Transition the regional Helpline # by the end of December 2006 to have a message that forwards callers to local areas or to information services as needed.

Intent: Each area needs to be responsible for themselves. To have a contact resource in every area in that area that is accountable to that area. Each area needs to be self supportive.

Regional Delegate Report

The RD and RDA attended the World Service Conference in Woodland Hills CA April 23-29.

Narcotics Anonymous World Service Summary

NA is spoken in 65 languages but only printed in 25. Everything that's translated must then be translated back into English to ensure that the concept was not lost. During the last two years 55 pieces of literature have been translated. It is a long process.

World Pool There are 788 members in the world pool 174 non-US members and 614 US members. The world pool is a collection of people just like us who have volunteered their time to work on projects for NA. Anyone can submit a world pool form to offer his or her services.

IRAN

Several years ago the first NA convention was held in IRAN. There were over 25,000 members with 2500 meetings in the country. Men with clean time sometimes are sponsoring 125 men. In eight months 51,000 basic texts and 1.1 million IPs were distributed. Now there are 4500 meetings and 50,000 members.

The RD spoke to NAWS about the issue of the using unapproved material in meetings within the Smoky Mountain Area. The response was that the understanding fellowship wide is that the 5th edition of the basic text and conference-approved material are the only things that should be read at meetings.

Area Reports

Central TN Area:

Greetings from CTA: Things are moving right along. We now have 8 home groups in our area with the addition of the end of the road group from Woodbury. We now have PSA recorded for the radio stations. We have made PI Presentations to the local college. We are getting things ready for an area inventory. We would like to ask outreach to come and do a concept workshop in September.

*Yours in service,
Ricardo J.*

Chattanooga Area:

Greetings family! All is well in the Chattanooga area. H & I Learning Day/ Chili Cook Off went very well... 4-6 hours of H & I meetings & workshops. Our area meeting moved to Cleveland, TN to reach out to our Cleveland groups. It will stay there for 5 more months. Two new meetings in Dunlap TN- Sequatchie County. Surrender Under The Stars is being organized. Plan to come September 22-24th.

*Thank you for letting me serve,
Randy H.*

Greater Nashville Area:

Greetings family! Business in GNA is progressing forward as we near our date for our 2nd area inventory which is on June 10th at City Roads Church in Madison. We are hoping this will help us with our project of "Simplifying our Guidelines". More will be revealed. June 17th is our Area Learning Day. This will be an all day event with a speaker meeting at 7:00 and a dance to follow. Pete F. from Chattanooga will be our speaker. Creivewood United Methodist Church is the location. There was a new meeting to join our area in May. It's called "New Beginning of Franklin". The location is a place called Phebe's House @ 239 Natchez St. in Franklin TN. They meet on Thursdays @ 7:00 pm. Our annual Ocoee River Trip is

set for August 5th and 6th. Flers are on the table. Our area donation to the region was \$349.61 and a \$30.00 donation from the “Solutions” Group in Clarksville.

Kim S.

Greater Smoky Mountain Area:

We are moving in the Greater Smoky Mountain Area of Narcotics Anonymous. We completed our area inventory a couple of months ago and now have formed an adhoc subcommittee to offer a revised set of guidelines to address some of the issues that arose from the inventory. Personally, I see some stormy days ahead but we’re making progress.

H&I is going strong. We recently changed chairs but because the vice chair was in place and well prepared the transition went like clockwork. We still have trouble getting people to go into the jails but our participation at treatment centers is stable if not growing.

Our new Phonline subcommittee has had three meetings. We’re in the process of writing subcommittee guidelines, planning for a learning day/orientation and have evaluated several options for providing a local phonline service. We’d like to thank Dale B. of Nashville for his help and experience. I suspect that in the next 3 or 4 months the Greater Smoky Mountain area will have it’s own phonline with trained volunteers. The committee has been well attended and supported.

We just elected a new PI chair. As one of his first acts he came to the Regional PI subcommittee meeting to get and give support. I’m sure the first PI subcommittee to be held in Knoxville in a long time will be announced very shortly.

Our local NA website is up and running with new content being added every week. Our meeting schedule is available there. www.knoxvillena.org.

We also recently elected an activities subcommittee chair. We are staring the planning for area events whose purpose is solely to foster unity versus raising funds.

The Recovery On The Ridge (ROR) subcommittee is going well. They are still ahead of their fund raising goals and are working closely with the new activities subcommittee and the area groups to coordinate events.

The new literature chair and subcommittee are functioning well. There is actually a functioning subcommittee with volunteers that show up to help count and distribute literature.

All the trusted servant positions in our area are filled. Chair, Vice Chair, Secretary, Treasurer, Alt Treasurer, RCM, Literature, Phonline, Public Information, Webmaster, Activities, H&I and ROR.

We are donating \$709 to the region.

Many of the recent changes I just mentioned are a result of “kicking the can” during our recent area inventory and lot’s of discussion prior to and subsequent to that event. I believe that this flowed from discussions that started in other areas around the region and the subsequent regional inventory. These are valuable. They do make a difference. The leadership and commitment I’ve seen demonstrated here at the region makes a difference. Thank you.

In Faith and In Service,

Greg V., GSMA (Knoxville)

Middle TN Area:

Greetings family! MTANA had their area inventory part 2 on May 20th at Hobson United Methodist. There were only 3 groups in attendance out of 18. We decided to continue with the inventory. There were a lot of points of interest raised and addressed. We know that this is just a beginning and that it is going to take work to get things on the right track. We will be holding nomination of executive committee at the next area. We would like to thank Ken Mc. and Mike B for facilitating our inventory. Open positions at our area are: outreach, Alt. Sec., Alt. RCM, We have a new P & P chair and our chair for Unity VIII has stepped down. We will have a 4th of July picnic at Shelby Park starting at 10am...until....

Mountain Area:

Hi Family! Things are going well in the mountains. The mountain area has 12 groups which host 32 meetings per week, 3 of which are closed meetings. H & I is carrying the message into 6 facilities: the Laurels in Lebanon, VA; CCS in Kingsport, TN; Magnolia Ridge and Woodridge in Johnson City, TN; Hawkins County Jail in Rogersville, TN and Indian Paths in Kingsport, TN. H & I also conducted its annual H & I Learning Day which was very informative. PI is moving forward getting us connected with regional PI and the WSO. They have been discussing our areas phone line and the committee feels area police needs to be worked out before work can be started on the MANA phone line. Policy & Procedure is in the process of revising our area's policy. They should have a proposal for submitting at the next area meeting. The mountain area outreach is again thanking the region for its help in our area's outreach subcommittee. They have currently brought literature and are working with PI to schedule meetings with the district attorney and judges in Greene County. Outreach spent \$226.90 on literature. Upcoming events in the mountains:

*Speak and Eat- June 10, 2006 in Greenville, TN. 303 Tusculum Blvd. starting at 4pm Tony will be speaking.

*Mountain Area River Rafting/ Campout August 12-13th in Erwin, TN.

*A New Day Group Cookout/ Picnic June 17, 2006 10am-6pm at Washington County Park- Abingdon, VA Tim B. contact 276-492-8328

Upper Cumberland Area:

Greetings family! Everything is well in the Upper Cumberland Area. Phoneline, H & I, and PI continue to go strong. The website is continuing to get visits from all over the world with the policies and the newsletter being the most popular pages viewed. The phoneline is still receiving lots of calls every month with meeting times and locations being the most information requested. PI is maintaining its projects of billboards, PSAs, etc...with several upcoming presentations to drug courts. It will be an exciting summer and we are looking forward to what the future holds for the Upper Cumberland Area. PS We will be mailing a donation of \$1,000 treasurer.

Subcommittee Reports

Public Information:

Our website is going to be up and running Monday. The web address is going to be up and running Monday. The web address is www.natennessee.org. PI chairs in attendance from areas were: GSMA, UCANA, GNMT and Mountain. GSMA wants a learning day/ help with PI. We will be making a motion to transition the regional help line number by the end of December 2006. PI needs everyone's help and input.

TFLMS,

Connie S.

Outreach:

One of the issues we would like to report today is an awareness of newly formed "umbrella" groups springing up in our region. These are groups being started by joint ventures of the treatment industry and drug courts. They are welcoming all diseases and validating attendance records. This activity is very prevalent in counties currently not being served by our service structure. It is our hope this issue can be addressed by our existing area's ability to properly function in their PI and outreach endeavors. We are also encountering isolated groups struggling to serve in counties where established groups supporting numerous meetings a week can not venture out of their own county. Asphalt recovery is a valuable tool not only for personal recovery but to promote unity in our fellowship and help isolated addicts become part of the miracle. The area inventories are still going on very well. Thanks to Ken and Mike for facilitating MT follow up Inventory and GNA inventory next week. I am several other region trusted servants will facilitate SMT Area's Inventory on June 10th. Our needs are all the same every where we go family. We are all seeking the spiritual principle of our steps, grounded in the traditions and guided by our literature. Your outreach committee has been contacted by A&D counselor at the Southeastern Tennessee State Regional Correctional Facility in Pikeville, TN. We are giving a PI Presentation to the staff of this facility at 1:00pm June 6. In our phone conversation they would like to establish a H & I meeting weekly and also create a NA Group in the facility. There will be a complete report at our next meeting.

In Loving Service,

Dale S.

Ad Hoc Regional Inventory Committee:

The Ad Hoc Inventory Committee met on June 3, 2006. The purpose of this meeting was to formulate a suggested plan of action for the region following the inventory. At this session we addressed the second session of the inventory meeting. We covered being diverted from our primary purpose due to money, property and prestige; and VRC..does it carry our primary purpose or divert us? At the inventory in January one of the suggestions was to have a Board of Directors to ok final decisions of the VRC committee. This was discussed again yesterday. Implementing a board of directors would probably involve a revision of the VRC guidelines. Do we need to have a guideline revision for VRC? Also fundraising was addressed. If areas have fundraisers donate money directly to region. Become more aware of traditions. Area inventories are being done with positive forward moving progress. Along with this suggestion would be to change seed money to make VRC happen. Regional outreach committee is available to assist with learning days, inventories and traditions workshops. Thanks to all who are participating in this process.

ILS,

Belinda H.

Ad Hoc Tape Reproduction Committee:

Over 200 tapes and CD's! Total of 151 tapes (VRC 3, VRC 21, VRC 22, VRC 19, WSC 2001) I have recorded 20 at this time...131 tapes left. Total CD's of 49 audio and 4 mp3. I have asked Greg V. to help with recording the rest and I feel that by next region we can have all of the tapes into a mp3 form. They should be able to condense together to about 6 + or - CDs. Not everybody has a DVD player.

NEW BUSINESS

This matter of new business was presented after the RD's report, but before the subcommittee meetings.

Hi family, This is the item I was going to be talking about in new business. This committee had been notified about behavior of our RDA at the last WSC. We received an email from another RD concerning this. Even though the DA disagrees with our presentation concerning notice of removal from office for non-compliance for: nonfulfillment of duties and misuse of any NA funds, he has chosen to resign his position and can now give his report or response.

TFLMS,

Lynn S.

Hello family,

After having a lengthy conversation with my sponsor and praying over the issue that is about to be in hand I, Christopher C. will resign my position Alt. Regional Delegate. This was not an easy decision for me to do, but instead of airing a bunch of dirty laundry, I will resign. I will take full responsibility for my actions, and I believe that I carried myself **AS MYSELF** and did not carry two faces into the position that I was elected to do. I do believe that every position that I have ever held to the best of **MY** ability I have been myself. I did and have made amends to the appropriate parties as I'm and will make amends to this body. I don't believe that I have misused any NA funds, for my understanding that any NA member whether it was the delegate team or not could be in my room. My actions may have been wrong, but I had no intentions of taking advantage of NA funds. I do have to say that I was late for some of the sessions and over the course of the WSC I may have been twenty minutes late, but not to one session. This was a learning experience for me, and I have made mistakes in my carrying this position as I had stated in my ARD report and granted that I could have been more effective in my duties, but again I am doing this to the best of my ability. Even though I feel this was a personal attack I will take this as learning experience, and hopefully I can be of service to this body as well Narcotics Anonymous in the future.

In loving service,

Chris C.

JUNE GSMA ACTIVITIES REPORT

Hello Family,

The first activities subcommittee meeting was held on June 10th here at the square dance hall. We had come up with a few positions I.E. Co-Chair, Sec. & two Co-Chair as utilities. None of these have been filled, however willingness was expressed to be apart of. They will still need to be voted on by the subcommittee. We also have two area activities planed 1st. The area pool birthday party on July 9th from 6:30-9:30pm this is on a Sunday 2nd a Unity day for Aug. 5th this will be just a day of swimming, volleyball and unity. This is also a NONE CHARGE event, however there will be places to BBQ or have a picnic anyone would like to do that, this is to promote UNITY & FELLOWSHIP.

The only money that has been put out is \$30.00 as a deposit to Insikp pool. They will need to be paid the day of the event for the remainder.

I personally would like to thank the ASC & the area for allowing myself to serve on this body as the activities chair, due to unforeseen circumstances in employment I will not be able to serve in a manner in which this area as well as the still suffering addict would deserve. My new employment would take me out of town a great deal with limited time here. Under the official bylaws of the GSMA page three section 7.

“Should an office become vacant due to unforeseen circumstances, an interim officer can be appointed at that ASC by the Chair until that office is filled at the next scheduled election time.”

I believe that in November this will be open to nominees & voted on in December.

I have spoken to Jeff B. & asked if he has the willingness to be an interim activities chair & he has expressed the willingness. I have also spoken to the ASC Chair about this as well prior to today, in talking to Jeff B. I believe that he would be an asset to this position as well to the ASC & area; he would bring the spiritual unity to the position in which it would need to bring the spiritual unity to the subcommittee & the area, as personal recovery depends on NA unity.

This brings me great sadness to step aside as being your interim activities chair as this addict has been rewarded with many spiritual blessing & growth in my personal recovery by being a part of. My hope is that the ASC will be able to accept Jeff B. into this position so he would be able to experience the same blessing & growth as this addict has. I look forward to the day that I will be able to serve this area once again.

In loving & grateful service
Mickey Sullivan

Mike R. appointed Jeff B. interim activity chairperson.

H&I – Steve W:

The Hospitals and Institutions Subcommittee had another productive meeting prior to the June 24 meeting of area. Two new panel leaders were elected - James W. for the Anderson County Jail Men's meeting and Anthony B. for the Gateway meeting. Jeremy E., who is stepping down as Gateway panel leader, will continue to serve as the subcommittee's secretary. The most recent panel added to the subcommittee, for the Detox ward at Center Pointe, is up and running, and a vote was passed to combine the literature order for the Detox and Inpatient panels. The literature order for May was slightly more than \$297, and for June that figure was a little more than \$396 (the difference is due to the fact that literature shortage in May meant we were unable to receive everything we requested). As always, the subcommittee needs the support of NA members to continue carrying the message to those who can't get out to meetings on a regular basis. Anderson County Jail is not not accepting new applications for the men's or women's meetings, but Knox County Detention Facility has been in need of support for some time. Greg V. and Jason S. have applications for those who wish to apply to carry the message to Knox County inmates. In addition, the Greater Smoky Mountain Area has been asked to support a prison meeting in Bledsoe County. The inmates hold their own meeting, so it would not be an H&I panel, per se; this county is on the fringe of three different areas but is a member of none, and jail officials would like some outside recovering addicts to support the meeting. Those interested should go to the following Website and fill out an application:

<http://www.tennesseean anytime.org/vserv/>

The next subcommittee meeting will be held at 1 p.m. July 23 at the Square Dance building. Adam L., subcommittee vice-chair, will chair the meeting and make the report at the Area meeting, as I will be out of town.

In loving service,

Steve W.
