Reports:

Secretary: it has been brought to my attention that positions are due to roll over this month. I can serve in the meantime but I am looking for someone to replace me.

Treasurer: we are \$266.68 over prudent. Donations: \$2161.66. All expenses paid. Income after expenses is \$1986.84.

RCM: not yet received minutes, will report in September. One motion: **Hannah M for Regional Secretary. ***TAKE BACK TO GROUPS*****

H&I: New meeting at the Village. Element men's facility is asking for participation. Need panel leaders. Lit order or \$230.28. Looking for speakers. Blount County Jail shut down due to COVID.

KACNA: only one hotel will allow our event, but likely will not happen with COVID rising again. No decisions have been made.

ROR: nothing new to report. Meeting soon to discuss standstill. Questions posed about doing it outside at Big Ridge but we will simply have too many attendants. Also with limited time before usual time frame, there is not enough time to plan entire event for this year. Camp Montvale is 4x more expensive.

PR:

During Open Forum

- Merged the website IT and meeting schedule coordinator.

Ongoing Efforts

- We would like to start making efforts towards presentation booths. They can be in any facility and a person will stand with a presentation and talk about NA.
- Started making a list of places to reach out to for QR codes, meeting schedules, and presentation booths.

Activities Completed:

- Jamie has updated all meetings but one (The Remedy), there are 32 verified active meetings.
- We have printed out 250 more QR code stickers.
- Printed out meeting lists to give to GSRs
- Requested reimbursement for stickers and meetings

****Request to Groups****

Please review the meeting lists and let us know if there are any corrections that need to be made at least 2 weeks before the next ASC meeting so that we can update a print those updated lists.

Mask Required

Old Business:

Storage unit is \$99/month and is an 8x10 unit full of ROR items. Cindy L appointed as ADHOK chair to a committee to shop around for a cheaper/smaller unit.

Ryan P for Area Chair: passed.

Open Forum:

Over prudent money to Region? Policy: over prudent money not set aside for anything goes to Region and PR. PR needs money for some expenses and will bring back a number next Area. We will have until November to decide how much money goes to Region, because any money donated before that will simply sit in a PO box until the Regional Committee Meeting.

Announcements:

N/A

New Business:

Discussion about attendees on Zoom being unable to hear Area discussions. Some people are unable to attend Area in person. Hybrid Area Service Committee meeting *has* improved nonetheless.

Microphone we purchased did not work. We still need one though, because groups voted to have it purchased. TABLED.

Justin C has willingness to be Vice Chair. Nightshift nom, LRG 2nd. He has 7 years, has held numerous Area level service positions, has been attending Area for six years, has never misappropriated NA funds, has a sponsor, attends meetings. ***TAKE BACK TO GROUPS***

Meeting closed with Serenity Prayer.
